### How Can We Help?

A few bullet point items right out of the gate:

- No unaccompanied minors. Everyone under 16 years of age must be accompanied by someone over the age of 16.
  - No outside food or drink, including chewing gum
  - No smoking or vaping
- No scooters, bikes, skateboards, rollerskates, rollerblades, etc inside the building (Full Tilt is not responsible for loss, theft, or damage to personal property left outside of the building)
  - No Backpacks
- Full Tilt Arcade & Pinball has a zero-tolerance "No jerks" policy. If you are being rough on the arcade games, being rude to other patrons or the staff, or otherwise being a jerk, you will be asked to leave. Remember, you are on camera :)

### What are your hours?

Monday - Private bookings only

Tuesday - Private bookings only

Wednesday - Private bookings only

Thursday 3-9

Friday 3-9

Saturday 12-9

Sunday 12-8

There are also private bookings available Thursday-Sunday before we open to the public

\*All times Central Standard Time\*

**How much does it cost?**

We're on a card system! Cards start at \$10 which gives you 40 credits. Most games are 1-4 credits to play. A few of our premium pinball machines are 6 credits to play.

### Is there food/drinks/alcohol?

No booze at this time when we are open to the public! We have a small snack selection and bottled sodas! Private party rentals can bring in birthday cake or have catering (just reach out and ask about your desired caterer). We ask that it is store bought and not ice cream cake, and you can add on to the party so that we'll take care of the tablecloths, plates, napkins, utensils, and the clean up! You can also bring your own decorations, please no glitter, confetti, silly string, or anything that needs an open flame (other than the birthday candles, of course!)

### Can I cancel my party rental?

Once a party is booked, it's unavailable for anyone else to book, so all party booking sales are final. We would be happy to talk to you about rescheduling your party as long as you reach out to us 48 hours before your party. Thank you!

### Can I drop my kids off and leave?

Nope! Persons under the age of 16 may only be in the arcade if they are with someone 16 or older. We do make exceptions all the time in advance, so if you have a very respectful teen that you'd like to drop off and pick up, please get ahold of us with the date and time you'd like to do that and we can try to accommodate your request!

### Is it free just to come into the arcade and look around?

Absolutely. We love when people come to check out the space. That being said, please refer to our no drop offs policy, as we are 100% looking forward to being a great place for people of all ages, but we don't have the capacity to look after unattended minors under the age of 16. Thank you!
